PNF

Priti Nourishment Foundation

Nutrition with Dignity

Building a Global Youth Movement for Nutrition & Community Empowerment

Priti Nourishment Foundation (PNF)

The Problem

Millions of families lack practical nutrition education.
Youth are rarely engaged as leaders in solving health challenges.
Community-based awareness remains limited in many regions.

Our Inspiration

Pilot Project: The Hanging Nutrition Bag Initiative

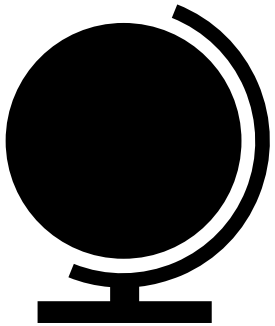
- Successfully implemented with 25 families
- Visual food guides placed inside kitchens
- Adolescent awareness sessions conducted

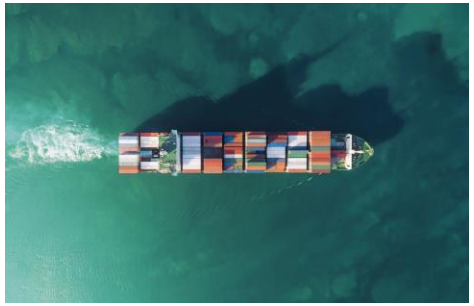
Model tested successfully. Ready for expansion

Our Story

Founded by Priti Das Dipa
Supported by GAIN & SUN Youth Network Bangladesh

Growing from a local initiative to an emerging international youth network.





Mission & Vision

Mission

To empower communities through practical nutrition education and youth-led action.

Vision

To build a globally connected network of young leaders advancing nutrition awareness.

Our Programs

Nutrition Education & Awareness

Adolescent Health Development

Community-Based Training

Youth Leadership & Advocacy

Healthy Food, Healthy Life Campaign

Our Impact

- 25 families reached through pilot initiative
- Community awareness sessions conducted
- Youth-led digital campaigns launched
- International volunteer network forming

How We Work

- Identify local community needs
- Develop practical nutrition tools
- Engage youth volunteers
- Implement & evaluate impact

- Represent PNF in your country
- Lead or support awareness campaigns
- Contribute research, content, or strategy
- Help expand our global network

Shape the future of youth-led nutrition advocacy
